Career Objective

I am a motivated MERN Stack Developer (Fresher) with a good understanding of HTML, CSS, and JavaScript. I have learned to build responsive web applications using MongoDB, Express.js, React, and Node.js. I'm comfortable using React for the frontend, Bootstrap for styling, and Axios for API integration.

Technical Skills

Frontend: HTML5, CSS3, JavaScript, React.js, Bootstrap

Backend: Node.js, Express.js

Database: MongoDB

Version Control: Git, GitHub

Tools: VS Code, Postman

Other: REST APIs, JSON, JWT, Bcrypt, CRUD Operations, Authentication, React Hooks, useState/useEffect, Routing, Axios, MVC Architecture .

Projects

1. Car Rental Web Application

Tech Stack: React, Node.js, Express, MongoDB, Mongoose, JWT, HTML, CSS

- Developed a full-stack car rental app using MERN stack with role-based authentication and 5+ CRUD features.
- Implemented secure authentication using JWT and bcrypt for enhanced security.
- Created separate login pages for user and admin in React, with routing between pages.
- Features include user registration, car posting, editing, and deletion through the admin dashboard.

2. E-commerce Product Listing Page

Tech Stack: React, Bootstrap, HTML, CSS, JavaScript

- Created a responsive and dynamic product page using React components and props.
- Fetched real-time product data using Axios.
- Managed global state using React Context API.

Internships & Training

MERN Stack Development – Shiva Concept Solution (6 Months, June 2024 – Dec 2024)

- Trained in MERN-Stack development concepts and built hands-on projects.

MERN Stack Internship – Kangaroo Software Pvt. Ltd. (6 Months , Dec 2024-June 2025)

- Developed a car-rental web application using React and Node.js.
- Worked on frontend routing, state management, and REST API creation

Education

Bachelor of Computer Applications (BCA)

APJ Abdul Kalam University, Indore (2022 – 2025)

Higher Secondary (12th)

Rai Academy Higher Secondary School, MP Board (2020 – 2022)

Percentage: 72.4%

High School (10th)

Advance Public Higher Secondary School, MP Board (2019 – 2020)

Percentage: 84.3%
